My name is April, I've been in this industry for 14 going on 15 years. I'm a mother of two. As a dedicated nail technician, my journey into the world of nail artistry began with a simple fascination that has since blossomed into a profound passion. I find immense joy in transforming nails into miniature canvases, each set reflecting a unique story and style. The true reward lies in witnessing the happiness and confidence my creations bring to my clients, making every meticulous detail and artistic flourish worthwhile.
